PROTECTION COVER

Protection cover for the RB150 platform.

In the case of infrequent use of the platform (vacations, prolonged absence), this tarpaulin avoids the accumulation of leaves, dust, detritus, snow. It will protect from a part of the rain and therefore ensure greater sealing or risks of appearance of oxidation points.

Easy to install and to detach.
Provides with its ultra practical storage pouch.

Technical specifications

Polyester. Size 1100 x 1400 mm.
On a 1100 mm platform height.
Compatible with smaller formats.

MADE IN EU

RB150

Open Platform Lift

Barduva RB150 is an Open Platform Lift, also known as Wheelchair Lift, which provides internal or external vertical travel up to 3 meters. Our Open Platform Lift can accommodate changes in level from 600 mm up to 3000 mm in commercial and domestic environments and is appropriate alternative solution to a fully enclosed platform lift.

RB150 is specifically designed for applications with little or no alterations to existing buildings. The open type design offers an aesthetically pleasing solution

with brushed stainless steel finish as option. The lift provides a safe and easy way to gain access to a property where stairs would otherwise prevent wheelchair access.

It is designed to give customers choice and flexibility.

RB150 Wheelchair Lift is a space saving and cost effective way to provide access for everyone to your home or workplace.

All our lifts are supplied with a 24-month warranty, as standard, and we offer a range of maintenance and service options, which can be tailored to suit your specific requirements.

FEATURES

- Modern lightweight design
- Stainless steel construction as option
- Low space requirements
- High level of security
- Silent operation
- Simple to use
- No pit required
- Simple to install and easy to service
- Overall low maintenance and running costs

DISSEMBLE PLATFORM (OPTIONAL)

BELLOWS UNDER THE PLATFORM

3 lifting heights:

from 2010 to 3000 mm,
